

FROM THE CREATORS OF *PILE BUCK*, THE LEADING DEEP FOUNDATIONS
AND MARINE CONSTRUCTION MAGAZINE SINCE 1984.

EQUIPMENT & CONTRACTING MEDIA

THE CONTRACTOR'S MOST RELIABLE SOURCE FOR HEAVY
EQUIPMENT INFORMATION AND CONSTRUCTION METHODS.

DO YOU PROVIDE EQUIPMENT, MATERIALS, OR PRODUCTS TO THE FOLLOWING INDUSTRIES?

- CRANES & LIFTING
- ASPHALT & PAVING
- EARTHMOVING
& EXCAVATION
- TRUCKS & HAULING
- CONCRETE

WHO ARE WE?

Since 1984, we've helmed the leading deep foundations and marine construction magazine, *Pile Buck*. Since the beginning of 2019, we've generated the same success with *E&C* in various other industries that interest us well – concrete, cranes, earthmoving, etc.

WHY ADVERTISE WITH E&C?

Among other reasons, we can't emphasize *content* enough.

We encourage you to compare our content with content from other publications and media companies. Each issue of *E&C* is composed of evergreen content, written exclusively for *E&C*. Our readers expect original how-to articles, safety guides, and equipment tips—not a magazine filled entirely with industry news and advertorials.

Overall, we believe that no competing publication can match the level of effort we put in for each client. From tailoring magazine articles to a client's specific focus to cooperating with new trade shows to expand a client's reach, we have 37 years of experience bridging the gap between each client and the right buyer.

WHAT ELSE ABOUT THE DISTRIBUTION?

Published quarterly and distributed internationally to contractors, engineers, government agencies, etc.,

E&C is sent free-of-charge to our email list of 50,000+ hand-picked industry professionals.

WHAT ABOUT THE FORMAT?

Whether it is an in-depth guide to selecting the right concrete pump or a photo edition cover story – showcasing our favorite client photos – each article is developed in its own unique way to both educate and entertain the reader.

Issues may focus on any of the following – construction methods, safety tips, instructional videos, how-to guides, legal advice, photos, and more.

Each issue contains at least one article pertaining to each – cranes & lifting, earthmoving & excavation, concrete, highway & paving, trucks & hauling, and landscaping.

Furthermore, your ad will always be placed with the appropriate content. For example, a client advertising crane attachments could expect their ad to be placed with "How to Use Slings For Hoisting & Rigging."

DO YOU OFFER ANY DEALS?

Yes, please email alex@equipmentandcontracting.com to learn more. We offer packages that include magazine ads, email ads, social media promotion, content marketing, and even photo/video services.

OUR SERVICES

We love what we do. We're great at what we do. *We produce results – long-lasting results.* Specializing in heavy equipment and other related products, we're capable of handling just about any marketing service you need – from social media to blogging. We've worked with several clients for 35+ years and pride ourselves on maintaining sincere relationships that last years – not months. With so much competition, marketing is challenging – we understand – Which is why it's so important to devise a strategy that is both affordable and efficient. We're ready when you are – Just give us a call or email.

WHY CHOOSE E&C OVER OTHER MEDIA COMPANIES AND PUBLICATIONS?

EVERGREEN CONTENT

Evergreen content is quality material that is relevant now and will continue to be relevant for years to come. *E&C* focuses on construction guides, tips, and procedures, *not* industry news and event photos. Contractors understand that *E&C* is a valuable resource that has earned its place around the office.

CRANES & LIFTING

- 28 SELECTING THE RIGHT CRANES & WEIGHT-HANDLING EQUIPMENT FOR THE JOB

TRUCKING & TRANSPORTATION

- 78 TRANSPORTING AND STORING EQUIPMENT
For Cranes, Engines, Pumps, and More

MINING

- 94 DRILLING TECHNIQUES FOR MINING EXPLORATION
Rotary Air Blasting, Reverse Circulation Drilling, Diamond Core Drilling

REACH MULTIPLE INDUSTRIES

E&C is sent to the top decision makers at the busiest contracting companies. These contractors aren't in need of just a single piece of equipment so why limit yourself to a single audience? These contractors need cranes, excavators, dozers, pumps, etc. so choose the magazine that covers them all.

MASSIVE AMOUNTS OF CONTENT

We are a content machine, publishing original, exclusive blog and video content on a weekly basis. This content is not only quality and appealing, but it contains the exact same keywords you and your marketing team are targeting. Don't hesitate to discuss this with us in further detail.

ARE YOU FAMILIAR WITH OUR FLAGSHIP PUBLICATION?

ESTABLISHED 1984

THE PREMIERE DEEP FOUNDATIONS AND
MARINE CONSTRUCTION MAGAZINE.

WHAT OUR CLIENTS HAVE TO SAY ABOUT EQUIPMENT & CONTRACTING...

“*Equipment & Contracting* made a grand entrance at a time when many established heavy construction magazines were struggling to stay relevant in the face of drastically changing media consumption habits. It's positioned to thrive for many years to come because of its unique content, strong balance between print and digital, and eye-popping layout.”

~ FRALEY CONSTRUCTION MARKETING

“When it comes to cranes, lifting, and heavy-hauling, *E&C* is surely becoming one of the premier sources on the internet for valuable and trusted information. In addition, their guides in the bi-monthly magazine are becoming a favorite around the office.”

~ BEYEL BROS CRANE

“With an excellent understanding of attachments and their role with equipment, *E&C* is providing invaluable print and digital content to contractors, which is crucial in a time when the industry is oversaturated with information.”

~ RANSOME ATTACHMENTS

“*Equipment & Contracting* Magazine has quickly become one of our go-to destinations for cutting-edge industry news, equipment information, general construction tips, and more. Working with them to advertise our services was a no-brainer, given their professional appearance and high-quality content creation.”

~ SKID STEER SOLUTIONS

“Between their website and magazine, *E&C* has become one of our favorite sources for concrete and paving information, particularly the guides and tips published each issue. We advertise our grout pumps and mixing equipment and are excited to see what the future holds for *E&C*!”

~ CHEMGROUT

“*E&C* is an excellent source for concrete, earthmoving, excavation, and more, which is why we advertise our concrete sawing and demolition equipment. We can't say enough good things about the magazine and, especially, the digital marketing strategy that Alex and the team employ.”

~ AGGREGATE TECHNOLOGIES

“We have provided services in the heavy lifting and transportation industry for over 70 years and consider *Equipment & Contracting* one of the premiere information sources for cranes, transportation, and other heavy equipment.”

~ LAMPSON CRANE

“*Equipment & Contracting* has become one of our favorite publications and digital resources for selling our equipment and attachments. In fact, we're not just an advertiser – but a fan and regular reader of both the magazine and blog.”

~ T-QUIP SALES & RENTALS

“After advertising with *Pile Buck* for a number of years, we now advertise in *E&C* and will continue to for years to come. We can't say enough good things about the quality of the magazine, as well as the professionalism and efficiency of Alex and the rest of his staff.”

~ OLIN PUMP

“As a consulting company in the deep foundations industry, with over 25 years of experience, we not only advertise in both *Pile Buck* and *E&C*, but we are regular readers of both publications as well. Keep up the great work!”

~ CFA CONSULTING LTD.
